Option 1

April is Sjögren's Awareness Month! The {Insert Org} is proud to support the Sjögren's Foundation and all Sjögren's patients.

Sjögren's ("SHOW-grins") is a systemic autoimmune disease that affects the entire body. Along with symptoms of extensive dryness, other serious complications include profound fatigue, chronic pain, major organ involvement, neuropathies, and lymphomas. As many as 4 million Americans are living with Sjögren's. Learn more at www.sjogrens.org. #ThisIsSjögrens
